

Introducing **Blaze** Series

Blaze EZ

Easy to use menu structure with simple, intuitive buttons

The Blaze EZ allows even non-technical users to easily listen to music, the FM Radio, read books, make recordings and read printed material at the touch of a single button.

Blaze ET

Full numeric keypad, memo, dictionary, and file management

The Blaze ET offers our power users more advanced functions via the addition of a full numeric keypad for entering text, playback navigation, and additional functions like file management, writing memos and Optional Sense dictionary.

Blaze EZ

Blaze ET

Blaze at a glance

The Blaze EZ and ET OCR Multi-Players are designed to keep your mind a blaze even when you're waiting for a bus in the cold rain. With built-in OCR and TTS you can scan and read printed materials immediately, or save them for reading at your leisure as well as access books, music, documents, podcasts, recordings, and more.

Easy to use
Intuitive navigation with large, tactile buttons.

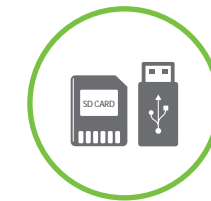

Stand-alone Portable OCR
Take the power of OCR from everywhere to anywhere and recognize printed material including books, brochures, newspapers, restaurant menus, legal forms, a posted sign, etc.

Multiple Media formats
Play DAISY, music and audio book files, and access Online Daisy, Podcasts and internet radio.

Built-in Wi-Fi and Bluetooth
Use built-in Wi-Fi to access online DAISY, podcasts and web radio. Enjoy wireless audio listening through your favorite Bluetooth headphones or speakers.

Ample storage
16 GB internal storage with expanded storage available via SD card and USB flash drive.

High quality recording and Playback Equalizer
Create high quality recordings using the internal microphone, an external stereo microphone or stereo line-in source.

Human Sounding TTS
Read text aloud using the high quality human-sounding Voices.

Extra Features
Enhance your media experience with Blaze extras, including a Color Reader, Alarm, FM Radio and Clock.
